

April 11, 1941.

Mr. W. A. Leuschner,
New York City.

Dear Leuschner:

I am hastening to answer your letter I received this Morning to let you know about our dates in the South. We are at present only booked for the 20th and 21st in Jacksonville, expecting to play in Daytona on the 27th, and our playing in Birmingham May 4th. I am trying to arrange some games on our way back North from Birmingham. Have just written to Atlanta to see if Mr. Baker could use us there on the 5th, and would like to be able to get the Cubans to meet us in Norfolk and Richmond either Wednesday, Thursday or Friday May 7th, 8th or 9th of that week. Can you let me know if the Cubans could meet us for these games? I know both Parks are open these days, but I have not definitely secured them yet, however, I believe I will be able to do so. I will write today about them.

Posey was supposed to be working on some dates between the 20th of April and May 5th. He is dealing directly with Bill White, 560 - 2nd Ave., Daytona Beach, Fla. % Dr. Slack. If you were desirous of getting a message to the Team in a hurry, you could send it directly to him. I would appreciate having some games if possible, on the other hand I would rather stay right in Camp than to go off on long trips gambling with the weather and the spots, I know you can appreciate what I mean.

You asked when the Eagles are expected back in town and I think I have possibly answered that question.

I assume you were speaking about the Asbury Park game when you asked me had I heard anything more about the proposition I spoke to you about. I have not heard anything further to date, but will contact them today.

I will send you a list of the Eagles open dates within the next few days. I will not say anything for the Eagles and Yankees for May 10th?

Very truly yours,
